Note: No more than two (2) absences per Concert Period are permitted.

Note: Absence from a sectional rehearsal is counted as one absence in addition to an absence from the regular rehearsal on the same day → Missing both the sectional & the rehearsal = 2 absences.

Note: Tardy (arrival 15 minutes after posted starting time) and leaving rehearsal any time before posted dismissal time = ¼ absence.

Symphony Orchestra - Sectional Rehearsals —

In order to make our sectional rehearsals more beneficial/effective for our musicians, we have two formats. One is where the coaches are there from 2:30 to 6:30. For the first half everyone including coach's play with the full orchestra then for the second half of rehearsal you will work with the coach and just your section. The second format is where you work with the coach and just your section from 2:30 to 4:30 pm. Then after the break return to rehearsal with the full orchestra until 6:30 pm.

There are times that the String Orchestra will have sectional rehearsals and when they do they will be announced at rehearsal and in the weekly blast.

Any changes to this calendar will be announced at rehearsal and will be highlighted and posted to the website. Please check the site frequently for any changes and announcements.
